## **VOLUNTEER CELEBRATION: FUN, FOOD, & FANFARE**

(Bolton Landing, NY)—Looking for something rewarding to do this summer? Join the Lake George Land Conservancy and Up Yonda Farm at this inaugural collaborative event to recognize the important efforts of their loyal volunteers. Meet current volunteers and learn about opportunities available to you. There is a wide variety of tasks for volunteers at both organizations, including office assistance, trail maintenance, and public speaking.

This free, family-friendly Volunteer Celebration will be held at the Up Yonda Farm Environmental Education Center, on Route 9N in Bolton, Saturday, June 11, from 9:30am-noon. A raindate is scheduled for June 18.

Staff from both organizations will be present to thank current volunteers, and to welcome anyone who is interested in learning more about the work of the Conservancy and Up Yonda Farm. Guests can enjoy guided walks along beautiful wooded trails, watch or participate in waterbar installation demonstrations, explore Up Yonda's museum and exhibits, get creative with kids' crafts, learn about invasive species in the watershed and what the Conservancy is doing about them, and enjoy a picnic lunch—all for free!

To participate in the Volunteer Celebration, please contact the Lake George Land Conservancy at 518-644-9673, or Up Yonda Farm at 518-644-9767 to get more information and RSVP.
