Land Conservancy Hosts Inaugural Mini-Golf Tournament

Bolton Landing, NY – The Lake George Land Conservancy is hosting its inaugural mini-golf tournament and cruise Saturday, July 18th, from 8:00 to 11:30 a.m. The family-friendly event will include 18-holes of mini-golf at the Around the World Golf Course, in Lake George Village, followed by a one-hour cruise onboard the Minne-Ha-Ha.

In addition to the golf and cruise, all participants will also receive refreshments and snacks throughout the morning, giveaways and prizes for special scores including best team score, best individual score (by age group) and hole-in-one.

“We wanted to offer a family-oriented, fun event for the summer,” said Sarah Hoffman, LGLC’s Communications and Outreach Manager. “We hope this tournament will appeal to kids, parents, grandparents and friends who just want to have a good time and enjoy a little friendly competition at the lake.”

The mini-golf tournament will be organized with teams of four, but interested parties do not have to sign up with a full team. Groups with fewer than four participants will be combined to make up a team.

The entry fee for participants is \$25 for youth (under 12) and \$35 for adults. All proceeds from the event will go towards the Lake George Land Conservancy’s land protection efforts around the Lake.

Anyone interested in signing up for the tournament event must contact LGLC by July 10th. For more information visit www.lglc.org, or call 644-9673.

The Lake George Land Conservancy is a non-profit land trust working to preserve the world-renowned water quality of Lake George. LGLC relies on the support of generous individuals, corporations and foundations. For more information, please visit www.lglc.org, call 518-644-9673, or stop in our office, the Macionis Family Center for Conservation, at 4905 Lake Shore Drive, Bolton Landing, New York.
